Coin master has been out for a few months now and is the first game of its kind and has had an overwhelmingly positive response. We here at TheGamesLovers thought that we would take a closer look at how this game works, what is needed to play, and what makes it so addicting.""",

Raiding by jdjeibdndjdkd on 2021/03/28 18:34 Ok so I love the game but I was playing in the classroom and I got attacked by someone else while I was playing it. And I lost all of my troops along with half of my castle. I didnâ€™t make it through the game to see if my troops came back but it was just devastating. If you can make the game a little more fair like your secret messages and if there is a new army system that is way more fair. And if you do not want people to attack while you are playing. Then maybe put an option where we can play one by one in our own kingdoms or have a leader board or something like that? I really love the game but I think some stuff needs to be changed. Thanks if you can take into consideration.",

Good game by Kiyaa on 2021/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 2021 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",

Best Game Ever by Ali Bery on 2021/11/30 17:16 This game is so fun and addictive! It's great because you can play with your friends, chat with other players, and customize your character with tons of cute outfits! The most amazing thing about this game is how many different achievements there are to unlock. You can even play a bunch of different mini games to win prizes! But after an hour or two that can start to get boring. So, I would say this game is great for short bursts or if you are bored or when you're on your phone at home.",

Great app, but... by Anubis_In_Da_Club on 2021/11/27 15:02 I love this game, but I hated the fact that you had to wait a while until you could start another game. It was very frustrating. Overall, it is amazing! It's my favorite game because it's not like every other puzzle word app there is out there.",
