You can watch video downloaded one screen at a time with standard definition on a phone or tablet. You can watch two screens simultaneously with high-resolution downloaded videos on two phones or tablets. You must set up your My T-Mobile profile as the primary account holder with permissions.

The abolition of the free Netflix trial reflects massive changes in the streaming industry which was introduced in the short term in response to the Coronavirus pandemic and long term since Netflix launched its first original series in 2021. In the short term, a number of streaming services stopped offering free trial versions in 2021, because they minimized losses by bringing movies intended for cinema release to streamers. Disney's release of Hamilton on its service and Pixar's film Souls are among the major releases that have brought millions into the service, bringing in a sizable audience of people who watched the film on a free trial and then canceled their subscriptions.

The basic plan limits the number of phones and tablets you can download content on, you guessed it. The Netflix standard plan has the same basic limits as the base plan, but it's those limits that double.
